

Introducing our Exciting Rebrand!

www.mydoorfactory.ca

We are thrilled to announce the exciting news of our company's rebranding!

Change is good!

**Our company vision has always been:
"To improve life and character through
the manufacturing of cabinet doors and
the application of lean thinking."**

And it was time for a character improvement. We no longer believe our company name represents our character or our beliefs and are proud to announce to the world who we are now.

There are two really cool reasons for this name. Can you identify them?

Let us know what you think!

**Thank you to all our customers,
employees, family and friends who have
inspired the change.**

With this rebranding, we aim to take our business to new heights and bring even more value to our esteemed customers like you.

The changes are not just cosmetic; they signify a new chapter in our company's history, where we strive to be at the forefront of continuous improvement through our character, exceptional value, products and service.

Thank you for your continued support and we look forward to sharing our rebranded journey with you.

Warm regards,
My Door Factory
